Fred Kemmerer Jr. said the first ever movie night held “went off without a hitch.” He said he brought his gas grill and made some hotdogs and handed out popcorn. He felt the movie screen could have been bigger. He said he talked to the neighbors in the area and no one had any complaints of being too loud. He said the Kamowski’s performed before the movie and they were very good.

Discussion/Old Business-

Fred Kemmerer said he replaced the Light Posts with LED Lightbulbs except for the covered bridge. In the process of changing the lightbulbs the light posts now do not turn off. He will check with Bob Maholick on how to fix that issue.

He asked if the interim road foreman had time to get the roof estimates for the shed and pick up the playground mulch. Secretary Cressley said that Kim has been short-handed and has not had time to take care of either project. Also he has to take down the rest of the wooden playground before getting the mulch.

New Business –

Discussion was held regarding the next movie night. They decided to hold the next movie night on June 16, 2023 and the movie that will be shown is Monsters Inc. Fred will have flyers made and give some to the daycares in the area. Chief Doll said he will promote the movie night on their Ring Camera site. The board also discussed having the following movie night on July 21, 2023 and have a Car Show before the movie and then play the Cars movie.

Fred Kemmerer Jr. made a motion to adjourn the meeting at 6:55 p.m. Chief Doll seconded the motion. Motion carried unanimously.

Respectfully Submitted,

  
Brenda Cressley, Secretary
